## Declaration of the changes in the health condition of plasma-donors

I declared the changes in my health condition.

**Findings of the doctor:**

<table>
<thead>
<tr>
<th>Appropriate for plasma-donation</th>
<th>Not appropriate for plasma-donation</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>(Please underline the correct answer!)</td>
</tr>
</tbody>
</table>

Signature and stamp of the doctor

## Declaration of consent in case of appropriateness of donors

After having been informed by the doctor I hereby give my consent to taking plasma with automated apheresis technique, and to examining and using it for fractionating.

Date:

Signature of the donor

## Declaration of consent of qualified donors

I hereby declare that to the best of my belief no changes occurred in my health condition since my last plasma-donation, and I give my consent to taking plasma with automated apheresis technique, and to examining and using it for fractionating.

Date:

Signature of the donor
